## WHO AM I?

As an interdisciplinary student I have a broad interests, from philosophy en privacy laws to building websites.

I work great in groups, and am often the person full of ideas that takes a active leading role in a process. With others I like to engage in discussions and I am always open to another point of view.

Furthermore I am very reflective and open to feedback.

## EDUCATION

Now – March 2020 **Bachelor thesis - Benchmarking Deep Neural Networks** **Universiteit van Amsterdam**  
In my thesis I have researched the benchmarking of Deep Neural Networks with Distributed training. In this research I have implemented neural networks (primairly in Pytorch), and worked in a supercomputer environment. *Grade: 8.*

Now – Sept 2014 **Bachelor Bèta-gamma with major Kunstmatige Intelligentie** **Universiteit van Amsterdam**  
Bèta-gamma is an interdisciplinary bachelor, in which I chose the main direction Artificial Intelligence. The emphasis of this programme is on statistics and machine learning. *GPA: 7.1*

Aug. 2013 – Sept. 2007 **vwo Natuur & Techniek** **Stedelijk Gymnasium 's-Hertogenbosch**  
As a high-school student I followed a broad spectrum of subject with Latin, Greek and Informatics.

## WORK EXPERIENCE

Now – July 2020 **Student aan Huis** **StudentAanHuis**  
At this company I am working a student that visits, mostly older, customers and helps them with computer related problems.

Mei 2019 – Okt. 2018 **Lid beoordelingscommissie Comenius** **Nationaal Regieorgaan Onderwijsonderzoek**  
In this committee I judged applications for grants related to digitisation of scientific higher education.

Aug. 2018 – Sept. 2017 **Chair of the Centrale Studentenraad (full time)** **Universiteit van Amsterdam**  
I led a council of 14 members. It was the first council that had meetings in English.

Aug. 2017 – Sept. 2016 **general member Facultaire Studentenraad** **Universiteit van Amsterdam aan de FNWI**  
My main tasks were related to educational programmes committees and extracurricular courses.

July 2017 – Okt. 2016 **member of programme committee Kunstmatige Intelligentie** **Universiteit van Amsterdam**  
I evaluated courses based on course evaluations and discussed the quality of education.

Dec. 2017 – Sept. 2016 **Investigator at Onderwijs, Informatie en Statistiek** **OIS Gemeente Amsterdam**  
At this Researchbureau for the municipality, I did polling by phone and face to face

In periode  
2015 – 2011

### Other side jobs

I was a Temporary worker at Studijobs, building up festivals, a warehouse employee at Op Zeeland and have delivered papers

Amsterdam/'s-Hertogenbosch

## EXTRACURRICULAR

Mei 2015 –  
Nov. 2014

### Committee member at study association Spectrum and Congo

member of hitchhike-, cooking- and first-years-weekend-committee.

Amsterdam

## LANGUAGES

**Dutch** - Mother tongue

**English** - professional working  
proficiency

**German** – Basic proficiency

## HOBBIES

In my spare time I like to work  
on my own projects, like my  
Telegrambot.

Additionally I like chess, read-  
ing and art-house movies.

## NON PROFIT

I have helped WO-inActie with set-  
ting up their Blogger-website [woin-actie.org](http://woin-actie.org).
